It is ments. In conclusion he calls upon his temperate and fraternal in spirit. It countrymen to stand by their rights, and breathes no war or coercion. It is firm, never to su render them, even though naand yet most kind. The exposition of the quence of refusal to submit. The General various matters tyched upon is masterly Council responded to the message of their and statesman-like. The late hour, of chief by passing a serious of resolutions going to press, prevents any lengthy est of the Choctaw nation to unite their comment upon the points made by the destinies with the Southern Confederacy President. The effect of the address, as an indication of the policy of the new Ad- The Senate Committee on Swamp ministration, must be favorable / Certainly no President, since the days of Washington, has assumed control of the gov beg leave to make the following Reernment under more disadvantageous cir. port: cumstances. As an earnest of a patrioticdesire for the welfare of the whole country, and of a fair, just and impartial Ad ministration, the Inaugural must meet the expectations of all true and loyal citizens.

The Conference Adjustment.

Peace Congress are before the country. that in many instances said Commis-The propositions submitted, by that body, sioners now hold, as apart of the proto Congress, came at so late a period in the ceeds of these nefarious trans actions, session, as to prevent action upon them .- a share of those lands so acquired. The Constitution requires a vote of two- That the same have been paid for with thirds of both Houses to propose amend- Swamp Land certificates, issued by FortSumterNot Taken! ments to that instrument. It was not, said Commissioners for work doneperhaps, to be expected that any plan, when in fact, your committee verily suddenly proposed, and with but one or believe, from good and reliable infertwo days left for its consideration, could mation, only a portion of such work be passed with a two-thirds vote. If the has been performed, and in a majority various points of the Conference plan had of cases a spade has never broken the been entirely acceptable to two-thirds of sod. Such certificates are entirely the members of each House, the lateness of fraudulent, and with such certificates the hour of its presentation would, per- have thousands of acres of our Swamp haps, have prevented its adoption. The machinery of all parliamentary bodies is plundreed by the very men whose cumbrous and slow of mc. on. It affords sworn duty it was to protect it. a fine field for the display of tactics. Delays of all kinds may be interposed, and where time is pressing delay is death. If this plan could have come earlier before Congress, with any assurance that it met the hearty approbation of three-fourths of of twenty-four States. There were but reflection of the people may yet cause them to rally to the support of the Convention need to be added to our old and time worn Constitution, these propositions seem to be fair enough. We would accept them gladly for the sake of final peace and national quiet.

Election of Postmasters. In some parts of the State, elections arbeing held, among Republican voters, to designate their choice for local postmasters. This suggestion came originally from Mr. Colfax of this State. It is being practiced chiefly in his Congressional District, so far as it has been resorted to. The plan is not without some benefits. It has also many objections. We do not think well of it, as a matter of party policy, on the whole So long as the patronage, of the post office appointments, is vested to the President it will not probably become a general custom. It can, of course, only avail, in so Befar as it is countensuced and adopted, as a ba... rule, by the appointing power. It is not him a call. No. 7 Mechanics' Row. certain but that it would be better, for the country, if the choice of postmasters was given to the people, outright, as other officers are chosen, at regular elections. This - wednesday afternoon, at one o'clock, at however would require a remoddeling, of my residence, on Fifth street, north of the our whole postal system, to some extent, and even then might be found to work Terms of sale made known on the day Groceries & Provisions! badly. It is questionable whether resort to of sale. the system of elections among Republicans will prave a beneficial or desirable plan .-Parties of all political parties which have hitherto existed in the country, and is, to say the least, of doubtful propriety. The old modes of inflicating executive appointment, by politicate of citizens and business men of the ment to him.
